

Barnwell County Council Resolution

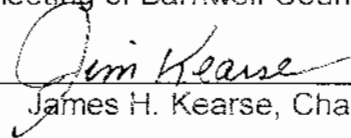

WHEREAS, licensed amateur radio operators in Barnwell County and throughout the State of South Carolina consistently demonstrate their value in public service and by providing emergency communications during natural and non-weather related disasters; and

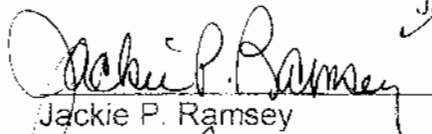

WHEREAS, as an integral part of emergency preparedness and public service, Barnwell County Amateur Radio Operators generously donate their time and equipment, operating privately-owned communications resources for the welfare and common good of the citizens of Barnwell County; and

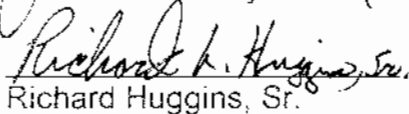

WHEREAS, Barnwell County has a significant per capita number of FCC issued amateur radio licensees as compared to other counties in the State of South Carolina,

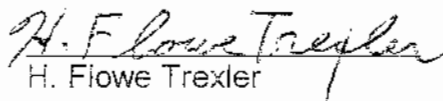

NOW THEREFORE LET IT BE RESOLVED BY THE BARNWELL COUNTY COUNCIL THAT the Barnwell County Council recognizes the invaluable service and importance of the amateur radio community in Barnwell County.

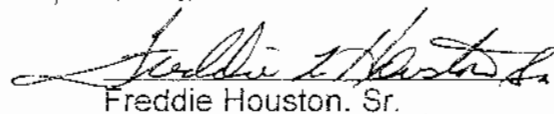

Adopted at the regular meeting of Barnwell County Council on March 09, 2004.
